

TRASH OR RECYCLE?

VERDE VALLEY QUICK GUIDE

BELLA
JUNK REMOVAL
— Verde Valley, AZ —

START WITH YOUR PROGRAM

Taylor Waste curbside, Sedona Recycles drop off, WM, Clarkdale and Jerome do not use one shared list.

CHANGED JUNE 2026

Sedona Recycles no longer accepts #5 plastics, including yogurt tubs and takeout containers. This change applies to its drop off bins.

TAYLOR WASTE BLUE LID CART

CURBSIDE

PUBLISHED ACCEPTED LIST

- Newspaper, magazines and junk mail
- Aluminum, tin and metal cans
- All paper and cardboard
- Plastics numbered 1 through 7
- Glass

95 gallon blue lid cart. No sorting. Collected twice monthly on the published route schedule.

The page includes 2025 route information, but the materials list itself is undated and says glass may later be excluded. Call to confirm plastics 3 through 7, glass and doubtful items.

Taylor Waste

SEDONA RECYCLES

DROP OFF

ACCEPTED AT DROP OFF

- #1 and #2 plastic bottles and jugs, empty, lids off
- Aluminum and tin cans
- Cardboard, food boxes, newspaper and office paper
- Shredded paper, bagged; brown paper bag preferred
- Green, clear and brown glass bottles
- Clean foil and empty, dry tin paint cans

NOT ACCEPTED

- #3 through #7 plastics, including #5 tubs
- Plastic bags, clamshells, lids, foam and cartons
- Blue glass, mirrors, windows or bakeware
- Batteries, electronics, liquid paint, oil or chemicals

Sedona Recycles

928-204-1185

WM CURBSIDE

WM's national guide is not a location specific list. Local accepted materials may differ. Check your account instructions or call 866-849-0076.

CLARKDALE

Drop off: cardboard, plastic and paper; separate Lions Club bin for aluminum cans. Plastic details are not published. Call 928-639-2450.

JEROME

Bins: paper, plastic, aluminum/tin and glass; cardboard at the 300 Level lot. Plastic and prep details are not published. Call 928-634-7943.

KEEP THESE OUT OF HOUSEHOLD RECYCLING BINS

- Lithium ion batteries or devices containing them: fire risk. Use separate battery or hazardous waste collection.
- Plastic bags, wrap and film: use a participating store drop off where available.
- Food, liquids, household chemicals, motor oil or wet paint.
- Furniture, mattresses and appliances: use a transfer station or removal service.

Safest prep: empty and dry containers, flatten cardboard, keep recyclables loose, and follow the destination's published list.
